## MINISTRY OF HOME AFFAIRS

*New Delhi, the 24th March 1965*

**S.O. 1005.**—In exercise of the powers conferred by the proviso to article 309 of the Constitution, the President hereby makes the following rules, namely:—

1. **Short title and commencement.**—(1) These rules may be called the Dadra and Nagar Haveli Administration Employees (Conditions of service) Rules, 1965.

(ii) They shall come into force on the date of commencement of the Dadra and Nagar Haveli (Laws) Regulation, 1963.

2. **Conditions of service of persons appointed to Central Civil Services and Posts under the Administration of the Union Territory of Dadra and Nagar Haveli.**—(1) The conditions of service of persons appointed to the Central Civil Services and Posts (Class I, Class II, Class III and Class IV) under the administrative control of the Administrator of the Union territory of Dadra and Nagar Haveli shall, subject to any other provision made by the President, be the same as the conditions of service of persons appointed to other corresponding Central Civil Services and posts and be governed by the same rules and orders as are for the time being applicable to the latter category of persons:

Provided that the scales of pay of, and the dearness allowance granted to, such employees shall, until provision is made on this behalf, be the same as are, from time to time, applicable to the persons appointed to corresponding posts and services under the Government of the State of Gujarat.

(2) Nothing contained in these rules shall apply to the method of recruitment, probation, confirmation, seniority and promotion in respect of persons in relation to whom the Administrator of the said Union territory has been authorised, under the Notification of the Government of India in the Ministry of Home Affairs No. F. 3(4)65-GP, dated 27th January 1965, to make rules under the proviso to article 309 of the Constitution.

3. **Repeal.**—All rules and orders relating to matters for which provision is made in rule 2 in so far as they are applicable to persons referred to therein and are inconsistent with the provisions of these rules are hereby repealed:

Provided that—

- (a) such repeal shall not affect the previous operation of the said rules or orders or anything done or any action taken thereunder;
- (b) any proceeding under the said rules or orders pending at the commencement of these rules shall be continued and disposed of as if the said rules and orders had not been repealed.

*New Delhi, the 23rd March 1965*

**S.O. 1024.**—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between Barauni Refinery in Bihar State to Haldia Port in Calcutta in West Bengal State, a pipeline should be laid by the Indian Oil Corporation Ltd., and that for the purpose of laying such pipeline, it is necessary to acquire the right of user in land described in the Schedule annexed hereto.

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the Competent Authority, Special Land Acquisition Officer, C/o Indian Oil Corporation Limited, P.O. Hathidah, District Patna. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

**S.O. 1031.**—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum from the Ankleshwar Oil Field in Gujarat State to Baroda in Gujarat State, pipelines should be laid by the Oil and Natural Gas Commission and that for the purpose of laying such pipelines, it is necessary to acquire the right of user in the land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the Liaison Officer, Competent Authority at Elampecco, 4th floor, Sayaji Ganj. Opp. College, Lokmanya Tilak Road, Baroda in the office of the Gujarat Pipeline Project (Oil and Natural Gas Commission). Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

**S.O. 1033.**—Whereas by a notification of the Government of India in the Ministry of Petroleum and Chemicals S.O. No. 560 dated the 30th January 1965 under sub-section (1) of Section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the land specified in the Schedule appended to that notification for the purpose of laying pipelines;

And whereas the Competent Authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that Section, the Central Government directs that the right of user in the said lands, shall instead of vesting in the Central Government vest on the date of publication of this declaration in the Indian Oil Corporation Limited free from all encumbrances,

[No. 31/50/63-ONG-Vol. 9.]

**S.O. 1034.**—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between Barauni Refinery in Bihar State to Haldia Port in Calcutta in West Bengal State, a pipeline should be laid by the Indian Oil Corporation Ltd., and that for the purpose of laying such pipeline, it is necessary to acquire the right of user in land described in the Schedule annexed hereto.

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the competent Authority, Special Land Acquisition Officer, C/o Indian Oil Corporation Limited, P.O. Hathidah, District Patna. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

New Delhi, the 26th March, 1963

**S.O. 1035.**—Whereas by a notification of the Government of India in the Ministry of Petroleum and Chemicals S.O. No. 701 dated the 15th February 1965 under sub-section (1) of Section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government declared its intention to acquire the right of user in the lands specified in the Schedule appended to that notification for the purpose of laying pipelines;

And whereas the Competent Authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Government;

And, whereas, the Central Government has, after considering the said report, decided to acquire the right of user in lands specified in the Schedule appended to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said lands specified in the schedule appended to this notification is hereby acquired for laying the pipelines and in exercise of the powers conferred by sub-section (4) of that Section, the Central Government directs that the right of user in the said lands, shall instead of vesting in the Central Government vest on the date of publication of this declaration in the Oil & Natural Gas Commission free from all encumbrances.

Stems**	—	—	Stems shall consist of midribs of leaves removed to the extent of at least three-fifths or 60% of the length of the leaf in the process of stemming from Virginia varieties of tobacco and their hybrids.

② In the case of grade designation 2, 3, 4, LG, LMG, MG, LBY, LBY2, and B composite grades may be indicated by adding the expression "(C)" after the relevant grade designation under the following conditions namely :—

(i) The composite grade shall not contain more than three consecutive grades. For this purpose the green grades shall be treated as a separate series but grade LG may have an admixture of grade 4.

(ii) The expression "(C)" shall be applicable to the middle grade of the three consecutive grades. The middle grade shall be the principal grade and it shall not be less than 70 per cent of the total weight. The next lower grade to the principal grade shall not exceed 15 per cent of the total weight.

(iii) The consignment is sold to a recognised manufacturer against a written order and not in the open market. Provided that in case the manufacturer does not accept the consignment, the authorised packer on producing satisfactory evidence to that effect to the Agricultural Marketing Adviser to the Government of India or to any other Officer authorised by him in this behalf may be permitted to sell such tobacco in the open market.

\*Virginia tobacco shall consist of Virginia tobacco varieties and their hybrids having similar characteristics, but shall be free from slick tobacco i.e. tobacco produced on low lying and saline lands. If and when it contains slick tobacco beyond 5% the letter (S) shall be added to the grade on the Agmark labels.

†To allow for accidental errors in grading, a tolerance of 5% of leaves or strips corresponding to the specifications of the next lower grade will be allowed in all cases. Packages containing highest percentage of admixture will be assigned the next lower grade.

‡Grades 1, 2, 3, 4, LG are considered to be tobacco of distinct bright or colour Cigarette character.

"On The grade designations will be applicable under the following conditions, namely:—

- (i) That the tobacco is sold only to a recognised manufacturer of tobacco products against definite orders;
- (ii) That the tobacco shall not be sold in the market;
- (iii) That the tobacco is sold at a price calculated on the basis of proportions of three constituent grades and their prevailing prices.
- (iv) That the word "General" may be added to each of these grades if the proportion of Agmark grade 1 in the total composite packing is 4 per cent and above, but is below 10 per cent, and the word "Special" if the proportion of Agmark grade 1 in the total composite packing is 10 per cent and above."

§Grade designation will be applicable under the following conditions:—

- (1) That the sale is against a firm order, the expression "firm order" being defined to mean either that the whole of the purchase money is to be paid in cash before hand or is guaranteed in some other way.
- (2) That the consignment is sold to a recognised manufacturer according to specifications and blends which are not covered by designations and definitions of quality laid down in the schedule read with the foot note regarding tolerance given above in footnote marked†. If the order is placed by broker on behalf of a manufacturer/manufacturers evidence should be produced to prove that the whole of the consignment is meant for use of the manufacturer/manufacturers concerned. As recognised manufacturer shall mean a manufacturer of tobacco products or by products recognised by the Agricultural Marketing Adviser to the Government of India as such.
- (3) The tobacco marked under 'X' grade shall not be sold in the market. But in exceptional cases where the manufacturer does not accept the consignment of 'X' grade tobacco intended for him, the authorised packer concerned shall produce satisfactory evidence to that effect to the Agricultural Marketing Adviser to the Government of India or to any Officer authorised by him in this behalf who may permit the authorised packers to sell such tobacco in the open market.

††The grade designation shall be applicable only on condition that the Grade designation shall be affixed only where the packing is done at the specified premises of packers authorised to grade and mark Flue-cured Virginia tobacco under the supervision of the Tobacco Inspection staff.

/// The grade designation shall be applicable only on condition that the grade designation shall be affixed only when the packing is done at the specified premises of packers authorised to grade and mark Flue-cured Virginia tobacco under the supervision of the Tobacco Inspection staff.

\*\* The Grade designation shall be applicable on condition that the consignment is meant for export against a firm order from buyers from foreign countries other than the United Kingdom the expression "Firm order" being defined to mean either that the whole of the purchase money is to be paid in cash before-hand or is guaranteed in some other way.

£ 'Blemish' includes damage due to pests and diseases.

\*\*\* It may include artificially fermented tobacco with moisture content not exceeding 17 per cent.

All the above grades of Flue-cured Virginia tobacco containing more than 5 per cent admixture of undesirable tobacco produced on saline and low lying areas shall be marked with an additional letter 'S' alongwith the grade designation."

(Department of Agriculture)

New Delhi, the 23rd March, 1965.

**S.O. 1043.**—In exercise of the powers conferred by clause (f) of sub-section (2) of section 38 of the Prevention of Cruelty to Animals Act, 1960 (59 of 1960), the Central Government hereby makes the following rules, the same having been previously published as required by sub-section (1) of that section, namely:—

**THE PREVENTION OF CRUELTY TO ANIMALS (LICENSING OF FARRIERS) RULES, 1965**

1. **Short title and commencement.**—(1) These rules may be called the Prevention of Cruelty to Animals (Licensing of Farriers) Rules, 1965.

(2) They shall come into force in any State on such date as the State Government may, by notification in the official Gazette, appoint, and different dates may be appointed for different areas of the State.

2. **Definitions.**—In these rules, unless the context otherwise requires—

(a) "cattle" means buffaloes, bullocks, horses, mules or donkeys and includes other animals used for draught, pack or carriage purposes which require shoeing;

- (b) "farrier" means a person who carries on the business of shoeing cattle;
- (c) "licence" means a licence granted under these rules;
- (d) "licensing authority" means such officer of the veterinary department of the State or a local authority or any organisation for the welfare of animals as the State Government may, by general or special order, specify in this behalf.

3. **Farriers to be licensed.**—No person shall, after the commencement of these rules, begin to carry on the business of a farrier, and no person carrying on the business of a farrier at the commencement of these rules, shall, after the expiration of three months from such commencement, continue to carry on such business, except under a licence.

4. **Persons entitled to apply for licence.**—Every person who—

- (i) has completed the age of eighteen years, and
- (ii) has undergone any such training in the business of shoeing cattle as may be approved by the licensing authority; or
- (iii) has been carrying on the business of a farrier for not less than two years before the commencement of these rules;

shall be entitled to a licence.

5. **Application for licence.**—Every person who at the commencement of these rules is carrying on the business of a farrier and who intends to carry on such business after such commencement and every person who intends to begin such business after such commencement shall apply in writing to the licensing authority for a licence giving his name, place of residence, place of business, his qualifications for the licence and such other particulars as the licensing authority may require.

6. **Grant of licence.**—The licensing authority shall after satisfying himself as to whether the applicant is a fit and proper person to be granted a licence and whether he has equipped himself or has made arrangements for equipping himself with proper tools and other implements for the purpose of his business, grant to every applicant who is duly qualified in this behalf a licence in the form prescribed in the Annexure to these rules.

*Explanation.*—The tools and other implements which a person carrying on or intending to carry on the business of a farrier shall ordinarily have in his possession are the following, namely:—

1. Driving hammer with claws.
2. Hand hammer.
3. Drawing knife.
4. Scorcher knife.
5. Pincers.
6. Buffer.
7. Rasp.
8. Chisel for cutting bar iron.
9. Punch for making nail holes.
10. Nails for shoeing.
11. Twitch.
12. Wooden plank for finishing work.
13. Iron anvil.
14. Good quality wrought iron for shoes.

7. **Term of licence and renewal thereof.**—(1) A licence shall be valid for a period of two years from the date of its grant, but it may be renewed from time to time on application made by the licensee stating the period from which the licence is to be renewed:

Provided that no licence shall be renewed for a period exceeding two years at a time.

(2) The renewal of a licence shall be made by inscribing, in the columns provided for the purpose in the licence, the date of renewal, the date of expiry of the renewed licence and the signature of the licensing authority.

**8. Issue of duplicate licence.**—If a licence is defaced, lost or destroyed, the licensing authority may, after making such inquiry into the matter as he thinks fit, issue a duplicate.

**9. Farriers to exercise reasonable care and skill.**—Every licensee under these rules shall exercise a reasonable degree of care and skill in the shoeing of cattle.

**10. Cancellation of licence.**—(1) It shall be lawful for the licensing authority to enter the place of business of any licensee during normal working hours for the purpose of inspection; and if, in the opinion of the licensing authority, the licensee is unable to exercise a reasonable degree of care and skill in the shoeing of cattle or is not properly equipped for the purposes of his business, he may, after giving the licensee a reasonable opportunity of being heard, cancel the licence.

(2) A licence may also be cancelled if the licensing authority is satisfied, after giving the licensee a reasonable opportunity of being heard, that there has been a breach of any of the conditions of the licence.

**11. Issue of fresh licence after cancellation.**—A person whose licence has been cancelled under rule 10 may be granted a fresh licence on application made in this behalf if the licensing authority is satisfied that having regard to the circumstances obtaining at the time of such application, there is no reason why the applicant should not be granted a fresh licence.

**12. Fees.**—(1) The fees payable on every application for a licence shall be one rupee and that on every application for renewal of the licence or for a duplicate thereof shall be fifty paise.

(2) Such fees may be paid either in cash or by affixing non-judicial stamps of equivalent value to the application.

**13. Maintenance of register.**—The licensing authority shall maintain a register containing full particulars relating to every licence.

**S.O. 1644.**—In exercise of the powers conferred by sub-section (2) of section 38 of the Prevention of Cruelty to Animals Act, 1960 (59 of 1960), the Central Government hereby makes the following rules, the same having been previously published as required by sub-section (i) of that section, namely:—

**THE PREVENTION OF CRUELTY TO DRAUGHT AND PACK ANIMALS  
RULES, 1965**

**1. Short title and commencement.**—(1) These rules may be called the Prevention of Cruelty to Draught and Pack Animals Rules, 1965.

(2) They shall come into force in any State on such date as the State Government may, by notification in the official Gazette, appoint.

**2. Definitions.**—(1) In these rules, unless the context otherwise requires,—

- (a) "large bullock" or "large buffalo" respectively means a bullock or buffalo the weight of which exceeds 350 kilograms;
- (b) "medium bullock" or "medium buffalo" respectively means a bullock or buffalo the weight of which exceeds 250 kilograms, but does not exceed 350 kilograms;
- (c) "small bullock" or "small buffalo" respectively means a bullock or buffalo the weight of which does not exceed 250 kilograms;
- (d) "street" includes any way, road, lane, square, alley or passage, whether a thoroughfare or not, over which the public have a right of way;
- (e) "vehicle" means a wheeled conveyance of any description which is capable of being used as such on any street.

2. (2) For the purpose of clauses (a), (b) and (c) of sub-rule (1), the weight of an animal shall be determined by applying the formula—

$$\frac{\text{Length} \times \text{Girth in inches}^2}{300} = \text{Weight of the animal in lbs.}$$

**3. Maximum loads for draught animals.**—(1) No person shall cause any animal specified in column 1 of the table below to draw a vehicle of the kind described in the corresponding entry in column 2 thereof if it carries a load in excess of the weight specified in the corresponding entry in column 3 thereof.

1	2	3
1. Small bullock or small buffalo.	two-wheeled vehicle— (a) if fitted with pneumatic tyres. (b) if not fitted with pneumatic tyres.	550 kilograms. 400 kilograms.
2. Medium bullock or medium buffalo.	two-wheeled vehicle— (a) if fitted with pneumatic tyres. (b) if not fitted with pneumatic tyres	700 kilograms. 500 kilograms.
3. Large bullock or large buffalo.	two-wheeled vehicle— (a) if fitted with pneumatic tyres. (b) if not fitted with pneumatic tyres.	850 kilograms. 600 kilograms.

I	2	3
4. Horse or mule	two wheeled vehicle— (a) if fitted with pneumatic tyres. (b) if not fitted with pneumatic tyres.	750 kilograms. 500 kilograms.
5. Pony	two-wheeled vehicle— (a) if fitted with pneumatic tyres (b) if not fitted with pneumatic tyres	600 kilograms. 400 kilograms.
6. Camel	two-wheeled vehicle.	1000 kilograms.

(2) Where the vehicle to be drawn is a four-wheeled vehicle, the weight specified in column 3 of the said table shall, in each case, be read as being one and a quarter times and, if the four-wheeled vehicle is one fitted with pneumatic tyres, as being one and a half times, as much as the weight so specified.

(3) Where the vehicle, whether two-wheeled or four-wheeled, is to be drawn by two animals of either species referred to in each of the entries in column 1 of the said table, the weight specified in the corresponding entry in column 3 thereof shall be read as being twice, and, if the vehicle is one fitted with pneumatic tyres, as being two and a half times as much as the weight so specified.

(4) Where the route by which a vehicle is to be drawn involves an ascent for not less than half a mile and the gradient is more than one foot in a distance of ten feet, the weight specified in column 3 of the said table shall, in each case, be read as being one half of what is so specified.

*Explanation 1.*—The weights specified in this rule shall, in each case, be inclusive of the weight of the vehicle.

*Explanation 2.*—In calculating any weight for the purpose of this rule, fractions shall be disregarded.

**4. Maximum load for certain pack animals.**—No person shall cause any animal specified in column 1 of the table below to carry any load in excess of the weight specified in the corresponding entry in column 2 thereof.

I	2
1. Small bullock or buffalo	100 kilograms.
2. Medium bullock or buffalo	150 kilograms.
3. Large bullock or buffalo	175 kilograms.
4. Pony	70 kilograms.
5. Mule	200 kilograms.
6. Donkey	50 kilograms.
7. Camel	300 kilograms.

**5. Maximum number of passengers for animal-drawn vehicles.**—No person in charge of any vehicle drawn by any animal referred to in column 1 of the table under sub-rule (1) of rule 3 shall allow more than four persons, excluding the driver and children below 6 years of age, to ride on the vehicle.

**6. General conditions for use of draught and pack animals.**—No person shall use or cause to be used any animal for drawing any vehicle or carrying any load—

- (i) for more than nine hours in a day in the aggregate;
- (ii) for more than five hours continuously without a break for rest for the animal;
- (iii) in any area where the temperature exceeds 37°C (99°F) during the period between 12 noon and 3-00 P.M.

**7. Animals to be disengaged after work.**—No person shall continue to keep or cause to be kept in harness any animal used for the purpose of drawing vehicles, after it is no longer needed for such purpose.

**8. Use of spiked bits prohibited.**—No person shall, for the purpose of driving or riding an animal or causing it to draw any vehicle or for otherwise controlling it, use any spiked stick or bit, harness or yoke with spikes, knobs or projections or any other sharp tackle or equipment which causes or is likely to cause bruises, swellings, abrasions or severe pain to the animal.

**9. Saddling of horses.**—No person shall cause a horse to be saddled in such a way that the harness rests directly on the animal's withers without there being sufficient clearance between the arch of the saddle and the withers.

**10. Certificates regarding unladen weight of vehicles etc.**—(1) For the purpose of these rules, the Board may authorise any organisation established for the purpose of preventing cruelty to animals or for promoting their welfare to issue to the owner of any vehicle which may be brought before it for examination, a certificate as to its unladen weight, and any certificate so issued may be accepted as evidence of the weight of such vehicle.

(2) Nothing contained in this rule shall be construed as being in derogation of any right conferred by any law for the time being in force authorising any local authority to determine the unladen weight of any vehicle and to grant the necessary certificate or stamp the vehicle in this behalf.

**11. Powers of police officers and other authorised persons.**—(1) If any police officer above the rank of a constable or any other person authorised in this behalf by the State Government or by the Board by general or special order has reason to believe that an offence against rule 3 or rule 4, has been or is being committed in respect of any animal referred to therein, he may, in any case where a weigh-bridge is available within a reasonable distance, require the owner or other person in charge of such animal to take the animal or the vehicle or both to the weigh-bridge for the purpose of determining the weight of the load which the animal has been or is drawing or carrying.

(2) If the owner or other person in charge of the aforesaid animal refuses to comply with the demand of the police officer or other person as so authorised, it shall be lawful for such police officer or other person to take the animal or the vehicle or both to the weighbridge for the purpose aforesaid.

(3) As soon as any weight is determined under this rule, the owner or other person in charge of the said animal shall be given a statement in writing signed by the police officer or the person authorised as aforesaid, as the case may be, as to the weight so determined and any other information relevant for the purpose.

**12. Application of rules where local bye-laws etc. exist.**—If there is in force in any area to which these rules extend, any rule, regulation or bye-law made under any law for the time being in force by any local authority in respect of any of the matters for which provision is made in these rules, such rule, regulation or bye-law shall, to the extent to which—

(a) it contains provisions less irksome to the animal than those contained in these rules, prevail,

(b) it contains provisions more irksome to the animal than those contained in these rules, be of no effect.

### AWARD

Ministry of Labour & Employment, Government of India, by its Order No. 23/15/64-LRII dated the 8th October 1964 referred to under Section 10(1)(d) of the Industrial Disputes Act 1947, an industrial dispute existing between the employers in relation to Messrs. Orissa Minerals Development Company Ltd. Barbil and their workmen in respect of the matter specified in the Schedule below to this Tribunal for adjudication.

### SCHEDULE

"1. Whether the demand of the workmen that the management of M/s. Orissa Minerals Development Co. Ltd. should restore the facility for the free use of bus by the workmen and their dependants, enjoyed by them prior to 1957, for going to Barajamda Railway Station and back to their respective camps as and when necessary and for doing marketing at Barbil once a week is justified. If so, to what relief are the workmen entitled?"

2. Whether the demand of the monthly paid workmen that the management of Messrs. Orissa Minerals Development Co. Ltd. should restore the privilege of supplying Kerosene Oil in tins, which was discontinued with effect from the 30th November 1962 is justified? If so, to what relief are the workmen entitled?"

2. Sri S. S. Mukherjee, Advocate, with Sri O. P. Bhatnagar appeared for the employers, and, Sri J. R. Dash, General Secretary, Barbil Workers' Union, appeared for the workmen.

3. Today on 5th March 1965 both the parties filed a joint petition of compromise and prayed that an award in terms of it be passed.

4. According to the agreement, the management agreed to place an order to procure a bus immediately and restore the facility of plying bus service for the benefit of the employees of the company of Thakurani Iron Ores Mines; and the union agrees to withdraw the demand of the supply of kerosene oil in tins, but maintains that the existing supply of kerosene oil will continue.

5. I have read and considered the terms of the compromise and think they are fair and reasonable and in the interest of the parties and, therefore, I accept the same and record the compromise.

6. The aforesaid compromise is marked Annexure 'A' and an award in terms of it as prayed for by the parties is made and this compromise is made a part of the award.

7. This is the award which I make and submit to the Government of India under Section 15 of the Act.

## Short Recital of the Case

The above-mentioned trade unions vide their joint letter dated 3rd October, 1964 served a notice on the management of Messrs. Travancore Titanium Products Ltd., intimating the latter that in case their demands in regard to Dearness Allowance, Conveyance Allowance, etc. are not acceded to within fourteen days of the notice, the workmen of the Company would resort to direct action including strike to realise the same. The management replied to the Unions on 12th October, 1964 advising them against such direct action and offering to settle the dispute as per provisions of the Industrial Disputes Act. Subsequent negotiations between the parties having failed, the workmen went on strike with effect from 20th October 1964 and the management thereupon declared a lock-out on the

same day. Conciliation proceedings held by the Regional Labour Commissioner (C), Madras, on 20th October 1964 and on subsequent days did not lead to a settlement of the dispute. However, as a result of the mutual negotiations held today, the following terms of settlement have been arrived at, resolving the dispute.

### *Terms of Settlement*

It is agreed by the parties that—

#### 1. *Dearness Allowance:*

- (a) The question of revision of Dearness Allowance will be referred for adjudication under Section 10(2) of the Industrial Disputes Act, 1947.
- (b) Pending the Award of the Adjudicator on Dearness Allowance under (a) above, an interim payment of Rs. 3/- (Rupees three only) per mensem will be paid to each workman with effect from 1st July 1964, to be set off against the final award.

#### 2. *Conveyance Allowance Subsidy:*

- (a) The Company agrees to pay a transport subsidy of 20 paise per worker per actual day of attendance subject to a maximum of Rs. 4-50 per month.
- (b) This payment will take effect from 1st July, 1964.
- (c) The above payment will be restricted to those employees whose basic pay is below Rs. 300/- per month and who are not in receipt of Car Allowance.

For Travancore Titanium Products Ltd.,  
Sd/- Personnel-cum-Welfare Officer.

#### 3. *House Rent Allowance Subsidy:*

The Company agrees to pay the following rates of House Rent Allowance Subsidy:—

- (a) At the rate of Rs. 5-50 per mensem to those workmen whose Basic pay is upto Rs. 200/-.
- (b) At the rate of Rs. 7-50 per mensem to those workmen whose Basic Pay is between Rs. 201/- and Rs. 300/-.
- (c) The above payments will take effect from 1st July 1964.

#### 4. *Promotions:*

- (a) It is agreed that those specific cases of denial of promotions after 1st November 1963 already raised by the Unions to the Management will be reviewed by the Regional Labour Commissioner (C) Madras and his findings thereon after hearing both the parties will be binding on both the parties. Workmen, if any, recommended for promotion by the Regional Labour Commissioner (C), Madras, as a result of the above review will be promoted in the next available vacancies in the cadre to which the promotion has been recommended.
- (b) A list of the specific cases of denial of promotions will be forwarded by the Unions to the Regional Labour Commissioner (C), Madras within fourteen days of the date of this agreement. A copy of the list will be forwarded to the Management also simultaneously.
- (c) The question of fixation of cadre strength is to be subjected to a work-study by a recognised agency. The management will try as far as possible to finalise this within a period of six months.

5. *Contract Labour:* This is not a live issue.

#### 6. *Casual Labour:*

- (a) The absorption of 40 casual labourers as general labourers already ordered by the Managing Director will stand.
- (b) The Management is examining ways and means to regulate the employment of casual labour in the Company with a view to absorb the maximum number possible from among them permanently keeping in view the requirements of the factory from time to time.
- (c) The principle of employment of casual labour will also be included in the work-study mentioned in paragraph 4(c) above.

7. The rates agreed to regarding Conveyance Allowance and House Rent Allowance subsidies will be in force for a period of three years from the date of this agreement.

8. The payments arising out of items 1, 2 & 3 will be disbursed to the employees on or before 20th November 1964.

9. The Unions will not raise the issue of payment of wages for the strike/lock-out period which commenced from 20th October 1964.

## AWARD

The Government of India, Ministry of Labour and Employment by their order No. 6/51/64-LRII, dated 17th September 1964, have referred the industrial dispute existing between the employers in relation to Ardhogram Khas Colliery and their workmen in respect of the following matters for adjudication to this Tribunal.

2. The matters referred to for adjudication are:—

- (1) Whether the management of Ardhogram Khas Colliery had employed S/Srimati 1. Bharati, 2. Alike, 3. Ruby wife of Sankar Bauri and 4. Pramila wife of Gasoa Bauri or any of them?

- (2) If so, whether the action of the management in stopping them from work with effect from 22nd April 1964 is legal and justified?
- (3) If not, to what relief are the said workers entitled?

3. When the matter came up for hearing before me today the parties stated that they had settled the matter and filed a memorandum of settlement (a copy of which is appended herewith.)

4. The dispute relates to four workmen who are alleged to have been stopped from work from 22nd April 1964. Under the settlement, the management have agreed to reinstate the workmen from the date the colliery starts working. At present, the colliery has stopped working, because it has been declared to be gassy. The period of unemployment is to be treated as leave without pay, for continuity of service. Each of the workmen is also to be paid a sum of Rs. 175 in full and final settlement of their claim till the date of their re-instatement. In my opinion, the compromise is fair and reasonable and I accept it.

I therefore pass my award in terms of the compromise.

Dated:

The 20th March, 1965

TRIBUNAL, CALCUTTA

REFERENCE No. 62 OF 1964

Employers in relation to Ardhogram Khas Colliery

AND

Their workmen.

The above reference has been amicably settled between the parties on the following terms:—

1. That without prejudice to the contentions of the parties, the employers will re-instate S/Srimati 1. Bharati, 2. Alike, 3. Ruby wife of Sankar Bauri and 4. Pramila wife of Gasoa Bauri.
2. That as the colliery has been declared gassy mine by the Department of Mines, all workings of the colliery have been closed since 10th March, 1965.
3. That the re-instatement of the abovenamed workmen will take effect from the date the colliery starts working, intimation of which will be given to the workmen concerned by Registered Post A/D and also to the Vice-President, Colliery Mazdoor Sabha, P.O. Toposi (Burdwan).
4. That within a week from the receipt of the notice, as mentioned in paragraph 3 above, the workmen concerned will report for duties.
5. That the period from 22nd April 1964 till the date of re-instatement will be treated as if the workmen had been on leave without wages for the continuity of service only.
6. That each of the workmen will be paid a lump sum of Rs. 175/- (Rs. one hundred seventy five) only as an *ex-gratia* payment in full and final settlement of all their claims till the date of re-instatement.
7. That the above amount of Rs. 175/- to each of the workmen concerned will be paid within fifteen days from the date of this settlement.
8. That the parties will bear their own respective costs of this case.

It is therefore humbly prayed that this compromise may kindly be recorded and an Award passed in terms thereof.

## AWARD

Complaint No. 27 of 1963 was filed by Khema Ram under Section 33A of the Industrial Disputes Act, 1947 (hereinafter referred to as the Act), on the 18th February, 1963, before the Delhi Tribunal in Reference No. 338 of 1962 of the Delhi Tribunal, which on transfer to Dhanbad was numbered as Reference No. 35 of 1963, complaining against the action taken by the management against him.

2. The said complaint was transferred to the Dhanbad Tribunal on the 9th September, 1963, where it was numbered as Complaint No. 27 of 1963 and it was proceeded with from the stage at which it was transferred from the Delhi Tribunal.

3. The management also made an application under the proviso to sub-section (2) (b) of Section 33 of the Act for approval of its action against the concerned workman, Khema Ram, in Reference No. 35 of 1963 which also was transferred along with the Complaint from the Delhi Tribunal to the Dhanbad Tribunal and on transfer it was numbered as Application No. 188 of 1963 and this Application and the Complaint No. 27 of 1963, in both of which, Khema Ram, the concerned workman, was concerned, were heard together.

4. Thereafter, on the 7th May, 1963, an application for an early hearing of the complaint was made by the workman concerned before the Dhanbad Tribunal on the 7th May, 1963 and it was headed as a "Complaint under Section 33A of the Industrial Disputes Act, 1947" which misled the office to treat it as a complaint and, therefore, it was numbered as Complaint No. 13 of 1963 and treated throughout as a separate complaint from Complaint No. 27 although the complainant was the same in both the cases and none of the two parties also drew the attention of the Tribunal to the fact that the subject matter of both the complaints was one and the same and the complainant was also one and the same.

5. Two other workmen, Adu Ram and Hardas Ram, also filed a similar complaint before the Delhi Tribunal on the 28th February, 1963, which on transfer to the Dhanbad Tribunal on the 9th September, 1963 was numbered as Complaint No. 28 of 1963.

6. The management also made an application for approval of its action against the aforesaid two complainants on 9th April, 1963, which on being transferred to Dhanbad was numbered as Application No. 187 of 1963, and, Complaint No. 28 of 1963 and Application No. 187 of 1963 both were made analogous and proceeded with together.

7. These two complainants also on 7th May, 1963 made an application before the Dhanbad Tribunal for an early hearing of their complaints and headed their Application as a complaint under Section 33A of the Act which misled the office in treating it as a separate complaint and, therefore, it was numbered as Complaint No. 14 of 1963 and both the complaints No. 14 of 1963 and 28 of 1963 were treated as separate and the parties also treated them separate and never brought to the notice of the Tribunal the fact that the subject matter of both the complaints were the same and the complainants were also the same.

8. Reference No. 35 of 1963 along with Complaints Nos. 13 and 14 of 1963 were fixed for hearing at Bikaner in November, 1963 and on 21st November, 1963 a Memorandum of Settlement was filed by both the parties in Reference No. 35 of 1963 by which the Complaints Nos. 13 and 14 were also compromised and as a result of the said compromise Reference No. 35 of 1963 and Complaints Nos. 13 and

14 of 1963 were disposed of and an Award in terms of the compromise was passed on 22nd November, 1963 which was subsequently published in the Gazette also.

9. Subsequently, when Complaints Nos. 27 and 28 of 1963 and their corresponding Applications Nos. 188 and 187 of 1963 respectively, were ready for hearing they were fixed for hearing at Bikaner—Complaint No. 27 of 1963 with Application No. 188 of 1963 on 12th March, 1965 and Complaint No. 28 of 1963 with Application No. 187 of 1963 on 15th March, 1965. On 12th March, 1965 both the parties appeared before the Tribunal at Bikaner. The complainants were represented by Dr. Jawahar Lal Ajmani and Shri Arjun Ram, President of the Union, who represented all the three complainants. Sarvashri G. L. Mathur and G. S. Pareek appeared for the Company. At the joint request of both the parties. Complaint No. 28 of 1963 and its connected Application No. 187 of 1963, which were fixed for hearing on 15th March, 1965 were also taken up for hearing on 12th March, 1965. Both the parties, thereafter, filed a joint petition of compromise marked Annexure 'A' and prayed that in terms of the said compromise the above two Complaints No. 27 of 1963 and No. 28 of 1963 be permitted to be withdrawn and the two Applications Nos. 188 of 1963 and 187 of 1963 be also permitted to be withdrawn. After hearing the parties, I fixed 15th March, 1965 for passing necessary orders and directed the records of the old Complaints Nos. 13 and 14 of 1963 to be put up along with the records of the present four cases on 15th March, 1965.

10. Accordingly, the records of all the six cases were put up before the Tribunal and after perusing the same I am satisfied that there has been a genuine mistake committed by the parties and inadvertently they did not include the present two Complaints Nos. 27 and 28 of 1963 and present two Applications Nos. 187 and 188 of 1963 in the original compromise which they filed in Reference No. 35 of 1963 on 21st November, 1963 due to which all these confusions have arisen. In these circumstances, the present applications for withdrawal are the only course open to both the parties, inasmuch as the subject matter of disputes of these four cases has already been compromised and settled by the Award passed on 22nd November, 1963 which has admittedly been already implemented and, therefore, these four cases have naturally become infructuous.

11. The net result, therefore, is that, for the reasons given above, I allow these four cases to be withdrawn by the respective parties as prayed for. These four cases accordingly stand withdrawn.

**AWARD**

Ministry of Labour & Employment, by its order No. 2/1/63-LRII dated the 14th January, 1963, referred under Section 10(1)(d) of the Industrial Disputes Act, 1947, for adjudication to this Tribunal an industrial dispute existing between the employers in relation to the Tata Iron & Steel Co. Ltd. and their workman in respect of the matter specified below:

"Whether the dismissal of Shri A. K. Bhattacharjee, Clerk, Grade II, of the Office of the Chief Mining Engineer, Jamadoba, P.O. Jealgora, by the management of Tata Iron & Steel Co. Ltd, Jamadoba, P.O. Jealgora (District Dhanbad), was justified? If not, to what relief is he entitled?"

2. The management submitted its written statement on 4th February 1963. Its case was that during December, 1959, when Shri S. P. Das, Head Clerk, was on leave and Shri A. K. Bhattacharjee, the concerned workman, was in charge of the work of Shri Das, the concerned workman, Shri A. K. Bhattacharjee, made entries in the new bills, in the chart and register and placed them along with the bills for the work of renovation and the repairs done by Shri H. K. Roy Chowdhury, Contractor for the signature of Shri Cursetji, Chief Welfare Officer; that it subsequently transpired that several items had been added after the certification of the bill by the Chief Welfare Officer and these were serious irregularities and discrepancies due to unauthorised additions and alterations in the items and amounts in the bills; that for the above misconduct charge-sheet dated 4th October 1960, Ext. M, was issued to the concerned workman to which he submitted an explanation, Ext. M1 and, thereafter, a departmental enquiry was held on 31st October 1960 in the charge-sheet in his presence and at the said departmental enquiry the misconduct of the concerned workman was proved and, therefore, he was dismissed by a letter dated 17th December 1960, Ext. M7; that as the domestic enquiry was fair and proper and the concerned workman was given full opportunity to defend himself it was perfectly valid and the enquiry report, Ext. M15 was also fair and, therefore, the dismissal was proper and the concerned workman was, as such, not entitled to any relief.

3. On behalf of the concerned workman, Tata Collieries Workers' Union filed a written statement on 18th April 1963. The case of the Union was that the dismissal of the concerned workman was an act of victimisation and was illegal and *malafide* and the domestic enquiry was not fair and proper and the concerned workman was not at all guilty of any misconduct. The specific defence was that the records and papers in connection with the said bills used to be maintained and handled by Shri S. P. Das, Head Clerk of the Office of the Chief Welfare Officer, and the bills were prepared by the overseer of the Company under the instruction and guidance from the Chief Welfare Officer and checked and certified by the Draftsman of the Company; that, long after the payment of the aforesaid bills to the Contractor, certain irregularities and discrepancies with regard to those bills were alleged to have been pointed out by the Accounts Department and serious audit objections were taken by the auditors; that the discrepancies were (i) that bills were made for words not done, and, (ii) that *extra* measurements were provided in the bills; that, therefore, after about a year of the alleged occurrence of discrepancies in the bills on 4th October 1960 a charge-sheet, Ext. M was issued to

the concerned workman when he was lying sick and being treated in the Company's Hospital at Jamadoba, and thereafter the management staged a show of enquiry on 31st October 1960 which was in complete violation of the principles of natural justice and the said enquiry was conducted at a time when the concerned workman was sick and was under medical care and was unfit to undergo such strenuous performance so as to appear before such a departmental enquiry; that, therefore, the enquiry was not proper and was not conducted in a normal condition and the concerned workman's application for leave was rejected; that the Enquiry Officer's findings were perverse and the charges were not proved against the concerned workman and as such his dismissal was illegal and invalid and should be set aside.

4. On 4th March 1965 when the case was taken up Sarvashri P. Chanda and Anil Sarkar appeared for the workman concerned and Sarvashri R. D. Chowdhury, Bar-at-Law; S. C. Mitra, Solicitor; S. S. Mukherjee, Advocate, and S. N. Singh, Legal Assistant, appeared for the management. On the objection of Shri Chanda to the management being represented by lawyers, the appearances of Sarvashri R. D. Chowdhury, Bar-at-Law; S. C. Mitra, Solicitor and S. S. Mukherjee, Advocate were disallowed. The case, therefore, was conducted, on behalf of the management, by Shri S. N. Singh, Legal Assistant.

5. Both the parties filed documents which, with mutual consent, were marked as Exhibits. The documents filed by the management were marked Exts. N to N18 out of which Exts. M9 to M15 were marked subject to objection and Exts. M16 to M18 were marked on the admission of W.W.1. Documents filed by the workman were marked Exts. W to W24, out of which W20 was marked on objection by the Company. Both sides examined one witness on each side. Shri S. N. Singh was examined as M.W.1, on behalf of the Company, and the concerned workman, Shri A. K. Bhattacharjee (W.W.1), was examined on behalf of the concerned workman. It may be mentioned that on the admission of the concerned workman (W.W.1) his signatures, at page 5, in Ext. M13, were marked Exts. W21 to W24 on behalf of the workman and Exts. M16 to M18 on behalf of the Company.

6. The domestic enquiry was challenged on behalf of the workman as not proper and fair. Let us, therefore, first examine this contention.

It will appear from Ext. M2 as well as Ext. W6 that a notice dated 24th October 1960 was issued to the workman concerned informing him that the enquiry will be held on 28th October 1960 at 3 p.m. in the Office of the Chief Personnel Officer, Shri G. Prasad. The enquiry papers, however, which are Exts. M3 to M5 show that the enquiry was actually held on 31st October 1960. There is no explanation as to how, and why, the enquiry was not held on 28th October 1960 but on 31st October 1960, without any notice to the concerned workman. But as the concerned workman was present at the enquiry I do not attach much importance to this aspect of this case but certainly it is an irregularity to hold an enquiry on a date for which no notice is given and on a date different from the date given in the notice issued.

It will further appear from Ext. W that the concerned workman was admitted in the Hospital in the Jamadoba Hospital of the Company on 24th September 1960 and was discharged on 11th October 1960. During his illness in the Hospital the charge-sheet dated 4th October 1960 (Ext. M) was served on him. It will further appear from Ext. W2, which is a letter issued by the Chief Mining Engineer to the concerned workman that his application dated 24th October 1960 for sanction of 15 days' leave from 25th October 1960 on medical grounds was rejected as the enquiry into the charge-sheet was to be held on 28th October 1960. There is no explanation as to why the charge-sheet was served on the workman concerned during his illness when he was in the Hospital and when he was not in a fit physical condition and why there was so much haste about it when already there had been delay of about a year.

It will further appear that all the papers which were filed in the previous enquiry are signed and marked Exts. by my predecessor, Shri Salim M. Merchant, but curiously enough the alleged enquiry report (Ext. M15) of Shri G. Prasad does not appear to have been filed in the earlier case as it does not bear any exhibit mark or any signature at all of Shri Salim M. Merchant. Relying this omission it was argued that although the enquiry was held by Shri G. Prasad Chief Personnel Officer, who recorded the statements but the enquiry report was submitted by Shri F. S. Watcha, the Deputy Chief Mining Engineer, and, the report of Shri Watcha dated 4th December 1960 is Ext. N6, which bears the signature of Shri Salim M. Merchant, but as this report of Shri Watcha, Ext. N6 was adversely

commented upon in the previous cases Shri G. Prasad had been asked to fill up the gap, otherwise there is no reason why this report of Shri G. Prasad (Ext. M15) was not filed in the earlier proceeding and if it was filed at all why it does not bear the signature of Shri Salm M. Merchant. For this reason also I am not at all satisfied that the domestic enquiry was at all fair and proper, and, therefore, I am unable to uphold it and, as such, I reject it and also reject the enquiry report (Ext. M15) for the reasons given above.

7. On merit also, I think the management has no case. The persons concerned in the disputed bills were these: Shri H. B. Mitra, Overseer, who used to prepare the bills; Shri H. Ghosh, Engineer, who used to check the bills; thereafter, in the Office of the Chief Welfare Officer, Shri Cursetji, entries were entered in the registers either by Shri S. P. Das; the Head Clerk or in his absence when he was on leave by the concerned workman Shri A. K. Bhattacharjee. All the over-writings and cuttings in the disputed documents and bills, which are Ext. M9 to M13, are initialled by Shri S. P. Das and Shri Cursetji. The admitted initials of accused (Exts. M16 to M18), at page 5, in Ext. M13 also appear. It is not the case of the management that it was the concerned workman who actually forged the entries or did the tamperings obviously because there was no evidence to prove the same but the definite case of the management was that these tamperings took place when Shri S. P. Das, the Head Clerk, was on leave and Shri A. K. Bhattacharjee, the concerned workman was in charge of the work, but that fact alone will not show that he did the tamperings or did the over-writings. Unfortunately neither Shri S. P. Das, the Head Clerk, nor Shri Cursetji, who was such an important witness and at whose instance according to the evidence of M.W.1 the action was taken against the concerned workman, were examined. It may be mentioned in this connection that the case was adjourned at the instance of the management on the ground that the Chief Welfare Officer, Shri K. R. Cursetji, was on leave, on payment of costs on 8th April 1964, and, thereafter, it was again adjourned on 28th December 1964 on payment of further costs at the instance of Shri Cursetji and then again on 20th February 1965 at his instance but curiously enough although Shri Cursetji was present in Court on 4th March 1965, during the examination-in-chief of Shri S. N. Singh (M.W. 1), the only witness examined on behalf of the management, but Shri Cursetji, who was the most vital witness, was not examined by the management at all. At the domestic enquiry also although Shri S. P. Das, Ext. M4 was examined, Shri Cursetji was not examined there also. It is a serious infirmity in the case of the management. It is not a case where the management could examine any witness it liked and if omitted to examine any crucial witness the management could not be adversely affected thereby.

8. In the absence of the evidence of such importance witnesses, on the evidence of Shri S. N. Singh, M.W. 1 who had nothing to do with these disputed documents, it is impossible to hold that the misconduct of the concerned workman has been made out on mere suspicion. Simply because the concerned workman was admittedly in charge of the work of Shri S. P. Das during the time Shri S. P. Das was on leave it cannot be held that it was the concerned workman who alone was responsible for these tamperings and over-writings. I may mention that a look at Exts. M10 to M14 will show that there are over-writings at many other places and in Exts. M13 and M14 at almost every page and the disputed over-writings appear very much to be in the handwriting of the same person who appears to have written the original figures, but unfortunately in the absence of the writer of the original figures it cannot be said who wrote them and whether the over-writings were in his handwriting. The management by not examining important witnesses and by deliberately suppressing very crucial evidence has left the Tribunal entirely to guess, which it is not in a position to surmise on mere suspicion. For these reasons, in my opinion, the misconduct of the concerned workman cannot be held to have been proved without any reasonable doubt on the basis of Exts. M9 to M14 and the evidence of M.W. 1, and, as such, his dismissal was illegal and unjustified.

9. On behalf of the management, much stress was laid on the statements of Shri P. R. Banerjee (Ext. M3), of Shri S. P. Das (Ext. M4) and of the concerned workman (Ext. M5) recorded at the enquiry on 31st October 1960. It was argued that although Shri Banerjee and Shri Das at the enquiry stated that the over-writings were in the handwriting of the concerned workman and they made these statements in the presence of the concerned workman but the concerned workman declined to cross-examine them and that shows that over-writings by the concerned workman were admitted by him. I am not impressed with this argument for the simple reason that the concerned workman was not a lawyer, who

could understand the implications of cross-examination. In his explanation to the charge-sheet (Ext. M1) he definitely denied all those allegations and asserted that there was no addition or alteration of any kind when he took the bills to Shri Cursetji, Chief Welfare Officer, who scrutinised each item carefully and, therefore, he said that there was no occasion for him to point out to the Chief Welfare Officer anything which was irregular and otherwise wrong and as such if any addition or alteration was done after it was given to the peon to be taken to the Checking Clerk he cannot be held to be responsible for the same. He further said that the charts and registers, meaning obviously Exts. M9 to M14, of the department are kept in the open on the tables and anyone coming into the office has an access to the same, and that no particular person is given exclusive custody of those registers. The very fact that although these alleged alterations are said to have been made as far as back as December, 1959 when Shri S. P. Das, Head Clerk, Welfare Department, was on leave with effect from 10th December to 21st December, 1959 and the charge-sheet was issued against the concerned workman, after about a year on 4th October 1960, supports the case of the workman that the charge-sheet was issued when audit objections were raised. I think, therefore, in this state of evidence, it cannot be said that there is any admission of the workman concerned of having made the tamperings or overwritings, when admittedly even according to the management there is no evidence as to in whose handwriting the over-writings are. For these reasons the contention of the management must be rejected.

10. It will further appear from Ext. W4 that Shri F. S. Watcha, Deputy Chief Mining Engineer, sent a letter on 10th August 1960 to the Chief Mining Engineer, Jamadoba, returning a bill in which there was one mistake and over-writing in the measurement of one item. It will also appear from Ext. W5, which is a circular issued by the Chief Mining Engineer to Heads of all Departments regarding Contractors Bills, that the procedure outlined in the Colliery Procedure Code in the matter of maintenance of Measurement Books for contract jobs was not observed and therefore they were advised to ensure them to be strictly followed. The contention, therefore, of the workman that it was only after the objection regarding the two items mentioned before by the auditors to the effect that (i) bills were made for items of works not done and (ii) extra measurements were shown in the bills that the charge-sheet was issued against the workman concerned to cover up the faults of others appears to be correct. I am not making any reference to the case of Shri S. N. Modak, which was pending in appeal but has now been dismissed by the Supreme Court or to the case of Shri H. D. Mitra, whose dismissal was upheld, but I have confined myself only to the facts and evidence of the present case. On the basis of the disputed bills (Exts. M9 to M12), therefore, the concerned workman cannot at all be held guilty of the charge and as such Standing Orders Nos. 19(2) and (9) cannot be said to have been contravened by the workman concerned.

11. For the reasons given above, the reference is, therefore, answered in favour of the workman concerned by holding that the dismissal of Shri A. K. Bhatta-charjee, Clerk, Grade II, of the Office of the Chief Mining Engineer, Jamadoba, P.O. Jealgora, by the management of Tata Iron & Steel Co. Ltd., Jamadoba, P.O. Jealgora, District Dhanbad, was not justified, and, therefore, it is set aside and the workman concerned is reinstated to his former job with full back wages and with continuity of service and other benefits.

12. This Award must be implemented within one month after the Award becomes effective under Section 17A of the Act after its publication under Section 17 of the Act.

13. This is the Award which I make and submit to the Central Government under Section 15 of the Act.

**SCHEDULE**

"Whether the management of the Saunda Colliery, Post Office Bhurkunda of Messrs. Bird & Company was justified in dismissing Shri Shewji Pathak, Dhawrah Chaprasi, from service with effect from the 8th April, 1963, on the charge of abscenting himself without permission. If not, to what relief is the workman entitled?"

2. The company filed its written statement on 2nd September 1963 in which its case was that the concerned workman remained absent without any information or authorised leave from 26th December 1962 to 22nd March 1963, that is, for about three months and when he presented himself on 23rd March 1963, alleging that he had been released on bail, then a charge sheet was issued to him for misconduct under para 27(16) of the Standing Orders, and, thereafter, a departmental enquiry was held in the presence of the concerned workman at which his misconduct was established and, therefore, he was dismissed from the company's service from 8th April 1963.

3. On behalf of the workman, Secretary, Colliery Staff Association, filed a written statement on 4th September 1963. The case of the workman was that he was a Dhowrah Chaprasi having 21 years' service and was never guilty of any misconduct nor was he ever charge sheeted; he is an old trade union worker and, therefore, he is not in the good book of the Company; he was arrested on mere suspicion by the police on 26th December 1962 and was detained by the police till 22nd March 1963 and as such he was absent from duty over which he had no control; after his arrest but before he was taken to jail custody, he made an application for 2 days' leave on 26th December 1962 Exhibit M.1 thinking that he would be granted bail, but no intimation was given to him as to whether his leave was granted or not; only subsequently he was informed that it had been refused on 5th January 1963, long after the expiry of the period for which he wanted leave; he after being released from jail on bail applied on 25th March 1963 Exhibit M.4 for permission to join duty but he was not allowed to do so without calling for any explanation from him and, therefore, he was forced to sit idle from 23rd March 1963; when on release from jail he reported to the Manager orally to be permitted to resume his duty he was dismissed with effect from 8th April 1963; the charge sheet issued against him on 23rd March 1963 Exhibit M.2, was *malafide* in as much as the charge of absence without permission from 26th December 1962 to 22nd February 1963 was not tenable and sustainable in view of the fact that he, at the time of the enquiry, after having been charge sheeted, produced the certificate of detention in the jail custody, before the Enquiry Officer but it was not considered; and, that, therefore, his dismissal was illegal, *malafide* and by way of victimisation, and, as such, it should be set aside and he should be reinstated with full back wages.

4. Sri S. S. Mukherjee, Advocate, appeared for the company. The concerned workman Shri Shewji Pathak, was present in person and his Advocate Sri S. K. Mukherjee, who represented him at the last day, was not present nor the Union, Colliery Staff Association, which had espoused his cause, was representing him at the hearing on 26th February 1965. The concerned workman applied for time on the ground that Shri D. D. Sinha, Branch Secretary, Karanpura Field Colliery Staff Association, was to attend the case that day but he could not come, and, he was the competent person to conduct the case, and therefore, the case should be adjourned for a short period.

5. It may be mentioned here that the case was compromised and on the last date the concerned workman had agreed not to press for his reinstatement and to accept Rs. 900 as compensation and to give vacant possession of the quarters which he was occupying. According to the said agreement arrived at in the presence of his Advocate Shri S. K. Mukherjee, the case was fixed on 26th February 1965 for paying the money to the concerned workman and filing the compromise petition. The company brought the money and also a compromise petition but as the concerned workman resiled from the compromise it could not be given effect to. As the case was an old one, more than 1½ years old and from the attitude of the concerned workman it was not certain whether even on adjournment being granted he would be in a position to get his advocate or his union to represent him, in these circumstances I rejected the petition for time and took up the case for hearing in presence of the concerned workman.

6. The workman was examined as a witness as W.W. 1 and he was cross-examined on behalf of the company. The workman did not, however, examine any witness or file any document. The Company, filed documents which were marked Exhibits M to M. 8. The Company also did not examine any witness, but only presented arguments in support of its case.

7. To put briefly the facts are these:

On 26th December 1962 the concerned workman was arrested by the police on suspicion in a case of dacoity, and since then he was in jail custody and was released subsequently on 22nd March 1963. After his arrest and before going to jail he made an application for leave for 2 days, that is, from 26th December 1962 to 27th December 1962 Exhibit M.1. This application was refused on 5th January 1963. It was admitted by the Company that this order was never communicated to the concerned workman, so as to enable him to make a further application or to take such step as he liked. He was kept completely in the dark as to what had happened to his application for two days leave. He applied for two days leave only because he expected that he would be released on bail within two days. He came out of the jail on 23rd March 1963 when admittedly he presented himself, as mentioned in para 7 of the written statement of the company, alleging that he had been released on bail. According to the workman however, as will appear from paragraph 9 of his written statement, he reported to the Manager and asked for permission to be allowed to resume work. He also produced a certificate from the jail authority of his detention in the police custody but the Manager refused to accept it and the workman concerned was prevented from resuming his duties without calling for any explanation. On 23rd March 1963 a charge sheet Exhibit M. 2 was served on the workman concerned under Standing Order 27(16) for absence without permission and without satisfactory cause for more than 10 days because he absented from duty without permission and without satisfactory cause for more than 10 days with effect from 26th December 1962 to 22nd March 1963 and he was suspended pending enquiry. He gave an explanation to the charge sheet on 25th March 1963 Exhibit M. 3 in which he said that on 26th December 1962 he had made an application for two days leave because he had been arrested on suspicion but unfortunately due to ill-luck he was not released till 22nd March 1963 and, therefore, he could not give information in time, but when he was released on bail on the night of 22nd March 1963 he at once on 23rd March 1963 met the Manager. He further stated that he was in the service of the company for the last 24 or 25 years and was office-bearer of the recognised congress union and now he was a member of the INTUC and in this interval he has never been found guilty of any misconduct. Therefore, he

hoped he would be permitted to resume his duty and charge sheet will be withdrawn. On 25th March 1963 the concerned workman made a separate application to the Manager *Exhibit M. 4* for permission to resume duty as now he has come back from jail. On 26th March 1963 a notice of enquiry fixed on 29th March 1963 *Exhibit M. 5* was served on the workman concerned. On 29th March 1963 the statement of the workman was recorded which is *Exhibit M. 7* and no witness of the Company was examined nor any document was produced by the Company in support of its case. In his statement *Exhibit M. 7* he said *inter alia* that as he could not get an opportunity to write he could not apply for extension of leave. He admitted that he had no leave with pay due on 26th December 1962. He stated other facts which have been stated above. In the absence of any evidence of the Company the Enquiry Officer on 29th March 1963 submitted his Enquiry Report *Exhibit M. 6* holding that the absence without permission is established and, therefore, the charge is proved as he was in jail from 26th December 1962 to 22nd March 1963 and while in custody he did not make any application for leave and he was himself responsible for his arrest and remaining absent. On 8th April 1963 a letter of dismissal was issued by the Manager informing the concerned workman that the charge sheet against him for absence without permission had been proved at the enquiry held in his presence on his own admission and therefore he was being dismissed from service with immediate effect, that is, with effect from 8th April 1963 *Exhibit M. 8*.

8. On the above documents, it was contended by Sri Mukherjee that in view of the two decision of the Supreme Court in *Burn and Co. Ltd. and their employees*, 1957, I.L.L.J. 226, at page 234, which was followed in *Indian Iron and Steel Co. Ltd. and another and their workmen*, 1958, I.L.L.J. 260, there being admitted absence without permission or leave and the concerned workman having admittedly been arrested by the police and he being in jail custody for about 3 months from 26th December 1962 to 22nd March 1963 the concerned workman could not possibly have any defence to explain his absence and when no such defence was available to him, in such a case even charge sheet, much less an enquiry was not needed at all, and, therefore, the dismissal should be upheld, particularly because there was a charge sheet and enquiry in the presence of the workman concerned at which he was found guilty of misconduct on his own admission.

9. Workman was examined as W.W. 1 and he stated that he requested the Assistant Jailor to send an application for leave on his behalf while in custody but it was not done. Admittedly the workman was not informed about the result of his application for leave. Further the application for even 2 days made on 26th December 1962 was refused after the expiry of 2 days on 5th January 1963 and of that also he was not informed. In my opinion, the two decisions of the Supreme Court, relied upon by Sri Mukherjee, have no application to the present case. Here, the enquiry cannot be said to be fair and proper in as much as the company did not at all examine any witness nor did it put any document in support of its case. It simply examined the concerned workman and cross examined him. Such an enquiry in my opinion cannot be considered to be a proper and fair domestic enquiry as contemplated by law.

It is said that he had full opportunity to cross examine witnesses. Where does the question of cross-examination of any witness arise when no witness was examined by the company. Therefore, I would reject the domestic enquiry as not proper and fair, and will not rely on it.

10. As regards the contention, relying on the two decisions of the Supreme Court, that no charge sheet or enquiry was necessary because no defence was available, in my opinion, the facts of the Supreme Court cases are different from the facts of the present case. Here, the concerned workman was arrested on more suspicion and later released on bail. That fact was known to the management. After his release he immediately presented himself to the Manager with a certificate from the jail authority but the Manager did not pay any heed to it. Thereafter also, he made a regular application for being permitted to resume his duty. Unfortunately, his case was not at all considered. It appears to me that because he was an old trade union worker and an office bearer of the Union, as mentioned in his explanation *Exhibit M. 3*, the company wanted a pretext to get rid of him and, therefore, he was removed from service. I, therefore, hold that as dismissal of the concerned workman was illegal and unjustified, it must be set aside.

11. Sri Mukherjee, however, raised a preliminary objection to the effect that it was an individual dispute because no union represented the workman and

because the concerned workman said in his explanation Exhibit M. 3 that he was a member of the INTUC and there was no evidence that he was a member of Colliery Staff Association. There is no substance in this objection. It will appear from the Conciliation Officer's Failure Report that immediately after the dismissal of the workman on 8th April 1963 the Colliery Staff Association took up his case of dismissal and its Secretary sent a representation on 22nd May 1963 to the Conciliation Officer, which reached him on 24th May 1963, challenging his dismissal and saying that the workman was forced to sit idle from 23rd March 1963 to 7th April 1963, that is, for 10 days and ultimately dismissed from service with effect from 8th April 1963, and therefore, this action of the management was arbitrary and illegal. Colliery Staff Association represented the workman concerned at the conciliation proceeding and also thereafter before this Tribunal in as much as the written statement was filed by the Secretary of the Union on behalf of the workman concerned. The fact, therefore, that the Secretary of the Union was not present on the date of the hearing, when the case was taken up, does not go to show that the Union had given up representing the workman concerned. As mentioned earlier the workman made an application before the Tribunal for adjournment on the ground that Shri D. D. Sinha, Branch Secretary of the Karanpura Coalfield Colliery Staff Association was to come was not present. For these reasons, I hold that the present dispute is an industrial dispute and not an individual dispute at all.

12. The result, therefore, is that the reference is answered in favour of the concerned workman by holding that the management of the Saunda Colliery of Messrs. Bird & Co. was not justified in dismissing the workman Shri Shivji Pathak, from service with effect from 8th April 1963 on the charge of absents himself without permission and, therefore, his dismissal is set aside and he is reinstated to his previous job with full back wages and with continuity of service and other benefits.

13. This is the award which I make and submit to the Government of India.

**AWARD**

This is a complaint preferred by one Shri P. K. Vasudevan against the Chaldean Syrian Bank Ltd. under Section 33(A) of the Industrial Disputes Act XIV of 1947 alleging that the petitioner who was employed as a Peon in the above bank was dismissed from service by an order dated 14th July 1962 during the pendency of I.D. No. 2 of 61 (C) before this court. It is alleged that the dismissal was effected without the express permission in writing from this court before which I.D. No. 2/61 (Central) was pending.

(2) Shri P. K. Vasudevan is alleged to have disobeyed the instructions of the management regarding the cleaning of counters on 25th January 1962, and also refused to give his explanation when called for, regarding the above mis-conduct. The Peon was dismissed from service with effect from 14th July 1962 after an enquiry.

(3) M. P. No. 1/64 was filed by the management seeking the approval of this court for the dismissal of the Peon on a subsequent date.

(4) The parties have now put in a joint statement before this court to the effect that the matter has been settled out of court on the following terms:

“(a) The Bank agrees to re-instate P. K. Vasudevan in service without break of service. He will be permitted to rejoin duty immediately. His salary on rejoining will be fixed on the basis of the Desai Award, as if his service has been continuous i.e. he will be entitled to increments for the period he was out of employment, for the purposes of pay fixation.

(b) Shri Vasudevan will, however, not be entitled to any back wages during the period he was out of employment. The period of absence will be treated as extra-ordinary leave without wages. The complainant does not press for back-wages,

(c) The parties to bear their own costs.

It is therefore respectfully prayed that the Hon'ble Court be pleased to pass an award on the above terms."

(5) In the result, this Award is passed in terms of the above settlement. This Award will come into effect after thirty days of its publication in the Government Gazette.

## AWARD

This is a complaint preferred by one Shri K. V. Kuttan, a Peon attached to the Chaldean Syrian Bank Ltd., Calicut, against the Secretary, Chaldean Syrian Bank Ltd., Trichur, under Section 33(A) of the Industrial Disputes Act XIV of 1947 alleging that the Chaldean Syrian Bank Ltd. by transferring the petitioner from Calicut to Coimbatore by an order dated 10th October, 1961, violated the policy laid down with regard to transfer of subordinates under the 'Sasthri Award', and thereby altered the conditions of service applicable to the petitioner, while a dispute was pending before the National Industrial Tribunal (Bank Disputes), Bombay, in reference No. 1 of 1960.

(2) This complaint which was filed before the National Industrial Tribunal (Bank Disputes), Bombay, was transferred to the Labour Court, Delhi, for disposal. The Labour Court, Delhi, in turn, transferred the complaint to this court, as ordered by the Government of India, Ministry of Labour & Employment Order No. 55 (2) 63LRIV dated 23rd February, 1963.

(3) In pursuance of summons issued, the parties put in their respective statements. Shri K. V. Kuttan was examined as WW 1 and Exts. W1 to W10 series filed. The management examined one K. J. Johny, the Agent of the Chaldean Syrian Bank Ltd. at Calicut as EW 1 and filed Exts. E1 to E8.

(4) It is alleged that a direction has been given in the Sasthri Award to the effect that so far as members of the subordinate establishment of a bank are concerned, there should be no transfers ordinarily and that if there are any transfers at all, they should not be beyond the language area of the person so transferred, etc. Shri Kuttan, a Peon attached to the Calicut branch and a member of the subordinate staff was transferred from Calicut to Coimbatore, obviously beyond the language area by an order issued by the management of the bank dated 10th October 1961. It is made out that at the time Reference No. 1 of 60 was pending before the National Industrial Tribunal (Bank Disputes), Bombay, and that as such during the pendency of proceedings before the National Tribunal, the conditions of service of a workman concerned in the proceedings were altered to the prejudice of the workman.

(5) The parties have now come to a settlement out of court on the following terms and conditions:

1. The Bank agrees to reinstate the petitioner in terms of Desai Award with effect from the date of reporting for duty.
2. The petitioner does not press and waives all claims for back wages.
3. Insurance premium remitted by the bank on the petitioner's policy upto & inclusive of Nov. 1963 shall be borne by the bank.

4. It is agreed that while reinstating the petitioner two years increments will be cut i.e. his salary will be without allowing two increments and petitioner does not press and waives all claims for the said two increments.

The parties have to bear their respective costs.

It is therefore prayed that the above dispute may be recorded as settled on the terms and conditions set forth above and an award be made in terms thereof."

(6) In the result, an award is given in terms of the settlement mentioned above. This award will become enforceable after thirty days of its publication in the Government Gazette.
